

Location

Our distribution center is located in Anniston, AL (1 hour east of Birmingham and 1.5 hours west of Atlanta). An **expansion is underway** of the current 83,000 square-foot operations center to add 55,000 additional square feet **for a total of 138,000 square feet**. In addition, a location has been secured for a **full-service west coast distribution center** in Arizona that will allow us to expand our west coast operations.

Customer Service and Support

Braxton Harris has the capacity and resources to fulfill orders from our extensive inventory aligned with day-in, day-out **Plumbing Wholesale needs**.

Product Development

With over 30 years experience in new product development, we now offer this service to you. **We can design and produce your idea** to exacting quality standards. Our expertise and contacts with manufacturers worldwide makes us your all-in-one supplier. We have the capability to **take your idea from concept to the finished product**, delivered right to your door.

Kit and OEM Supplier

We can supply over **13,000 line items for kits or assemblies unique to your business**. We provide the opportunity to improve your inventory turns when you let our inventory be your inventory!

About Braxton Harris Co., Inc.

BHC, located in Anniston, Alabama, is a family owned company that has seen **3 generations during its 35 years**. Braxton Harris, Sr. founded BHC based on a dire industry need for excellent products, service, and loyalty that was not offered by the competition. Today, those same founding principles are still the foundation of business at BHC. With our broad product offering of **over 15,000 skus, same day shipping policy, excellent fill rates, personal service, and consistency in offering a quality product**, BHC strives to be the best all-in-one supplier and keep our customers coming back!
